BAVP Annual Report
2021-22

Vision

We commit

*to provide excellent, transparent, ever growing
and compassionate health service to the common
man.*

With inspiration

*from Sangh, through various initiatives, we will
forge Cohesive Nationalistic, Self-reliant and
Strong Society!*

Dear Well-wishers,

BAVP, popularly known by Dr. Hedgewar Hospital, relies on three strong pillars for its success:

Dedicated doctors

Adherence to values

Society's enabling participation

Our model,

“Hospital+ : Nucleus of Social Change”,

is transforming the lives of millions of underprivileged people - farmers, slums dwellers, youth, etc.

Boundaries are being pushed horizontally with the launch of new social development programs as well new ambitious projects such as the hospital in Assam and the medical college in Aurangabad.

33 years long journey....

and yet, there is miles to cover in the future.

We are counting on your support!
