

***EXCITING FIRST WEEK
FOR STUDENTS***

SHRIRAMCHANDRA INSTITUTE OF MEDICAL SCIENCES (SRIMS)

R.K. Damani Medical College

RKDMC's Unique Approach to Foundation Course...

विभिन्न अनुभवी डॉक्टरों को बुलाकर उनका अनुभव साझा करना, महाविद्यालय के डॉक्टर शिक्षकों और डीन मैडम के माध्यम से नाटिका द्वारा लैंगिक समानता दिखाना, समाज में मूल्यों के साथ समायोजन करना, यह सब अब तक छात्रों को सिखाया गया है। हमें अभिभावकों को इतना तो विश्वास है कि हमारे बच्चे यहाँ सही हाथों में हैं।

-Rohini Shinde
(mother of Manjiri Shinde)

**GROUP
DISCUSSIONS**
to understand student's
expectations from

**COLLEGE,
NATION,
and
SOCIETY.**

VISITS to
**BAVP's Slum
Health Centers**
were organized.
Students will be
exposed regularly to
COMMUNITY HEALTH
during MBBS.

Opening Students' Minds to a Wide Range of Career Paths

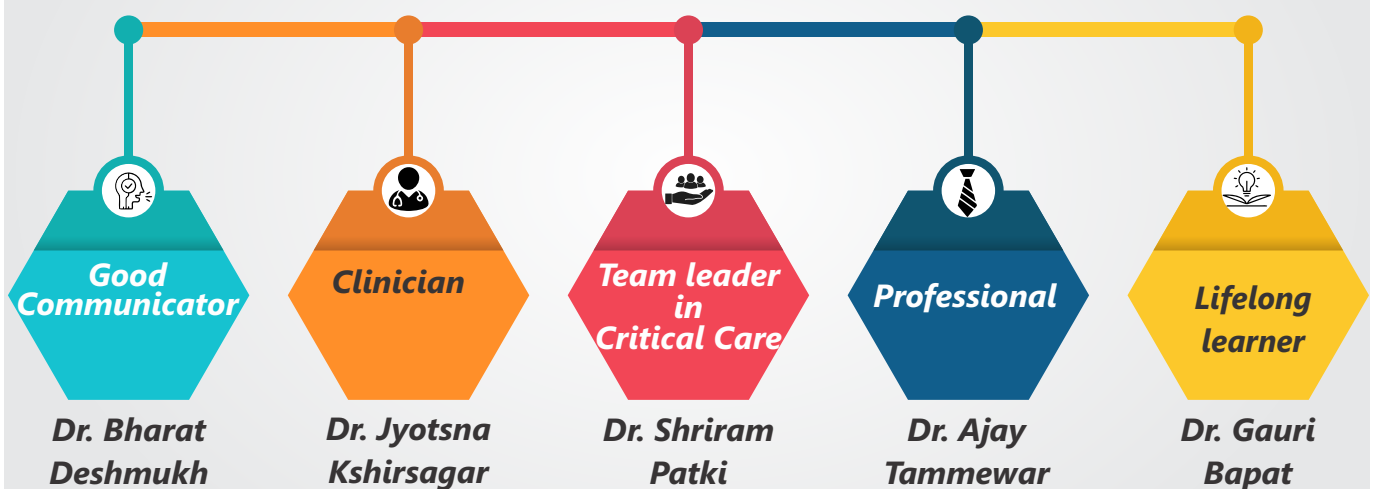

5 Attributes of an Indian Medical Graduate

For every skill required to be an ideal Indian Medical Graduate, one medical expert shared his/her experiences with students.

5 ATTRIBUTES

' दीक्षारंभ' *Instead of 'White Coat'*

NMC calls it as White Coat Ceremony.

We named it दीक्षारंभ.

'Diksha' means 'to commit'.

*Charak Shapath (oath)
was taken in Hindi.*

*Every Mentee performed
Dhanwantari Puja
with their respective Mentor.*

*Ms. Madhu Damani-Chandak,
D-Mart, was the Chief Guest
for the event and motivated
students to pursue excellence*

Giving Meaning to Mentor-Mentee Association

'Mentor-Mentee' program usually remains a formality on paper. But, we wish to make it an effective tool for students' support and development.

*Mentors and Mentees
were seated together.*

*Mentors were asked to
introduce their respective
Mentees in detail at
Deeksharambha.*

Mentor Dr Rashmi Shirodkar
introducing her Mentee
Ms. Mrunmyee Bhale to
chief guest Ms. Madhu Chandak

*Mentees' parents have also
been introduced to respective
Mentors.*

*Parents were guided on
what they can expect from
Mentors.*

Mentor Dr. Shubhada Patil
with Mentee
Yash Gangadhar Patil and his parents.

"Reach out to those who you admire, to those who have walked the path you would like to take. Ask them for guidance, to mentor you. I have read somewhere, A good mentor is like a giant - they can teach us lessons they have learned over decades in days."

- Ms. Madhu Damani-Chandak

"Diksharambh @ RKDMC SRIMS for a medical student, what does it mean?"

Entering into a tradition of doctors giving service to the community, medical teachers guiding next generation, donors supporting noble work in the society & "Shri Ramchandra" who set the benchmark of human development."

***Dr. Swati Shiradkar
Dean, RKDMC***

"Becoming a Doctor is like the spoon and lemon race..! Don't let your lemon (values) fall while winning the race. This college will help you develop strength to withstand traps of मोह and डर ..!"

***Dr. Anant Pandhare,
Trustee, BAVP***

***We thank all the esteemed personalities
who graced the occasion of
'Deeksharambha'***

Shri. Vinod Bhimrajka, Vice Chairman, BAVP

*Shri. Sunil Kejriwal, Trustee-BAVP and
Project Director, SRIMS*

*Shri. Anil Bhalerao,
RSS Sanghachalak - Devgiri Prant*

Shri. Rishi Bagla, Bagla Group

Shri. Tushar Singhat, D-Link India

Shri. Sunil Deoli, Andromeda

Welcomed by tilak

Dr. Anant Pandhare in discussion with faculty members.

Chairman and Secretary of BAVP amazed to see the grandeur of the building.

Students chanting 'Dhanwantari Stotra'

Dr. Anant Pandhare and Shri. Sunil Kejriwal showing the magnificent rendered image of the building entrance.

Happiest moment for our Dean Dr Swati Shiradkar.

Dr Bharat Deshmukh reciting the theme song

निर्माणों के पावन युग में
हम चरित्र निर्माण न भूलें।
स्वार्थ साधना की आंधी में
वसुधा का कल्याण न भूलें॥

आतां विश्वात्मकें देवें। येणें वाग्यज्ञें तोषावें।
तोषोनि मज द्यावें। पसायदान ॥१॥
जे खळांची व्यंकटी सांडो। त्यां सत्कर्मीं रती वाढो।
भूतां परस्परें पडो। मैत्र जीवाचें॥२॥
